

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I read Malcom Wallop's piece in today's Wall Street Journal and agree with him completely. I'll even go further: you guys are selling consumers out to corporate interests such as Disney, Vivendi, and other media heavyweights. Are you the same guys who are protecting us from competition in telephone services? Are you the guys who are maintaining the profit margins of the RBOCs?

I live in a rural area. What have you guys done for us? What have the businesses you 'regulate' done for us? Last time I looked you worked for the American people, the American taxpayer. Start workin'!

Sincerely,

Kevin Hoolehan
